

FIRE DEPARTMENT
SANTA CLARA COUNTY

FIRE CAPTAIN

DEFINITION

Under the direction of the Battalion Chief or Deputy Chief, this classification is responsible for performing, directing, and supervising activities of the fire station on an assigned shift including fire suppression, emergency rescue, inspection, investigation, training, and support functions.

Qualified Fire Captains on an active promotional list may work out of classification in the capacity of a Battalion Chief.

Incumbents may be assigned to a 56-hour or 40-hour schedule at the discretion of the Fire Chief to perform specialized administrative duties in support of a Department Division, including Training, Operations, Support Services, Administration and Planning, or Fire Prevention.

This classification is in the classified service.

DISTINGUISHING CHARACTERISTICS

This is the first full supervisory class within the classification of firefighters. The Fire Captain is responsible for direct supervision of firefighters. This position may also be assigned specialized administrative staff duties at Department Headquarters. Incumbents in this class are distinguished from those in the next higher classification of Battalion Chief in that the latter functions as shift commander and performs administrative duties as determined by the Fire Chief in connection with Department functions and programs.

EXAMPLES OF DUTIES

Examples of duties may include, but are not limited to the following:

- Respond to reported emergencies such as fires, accidents, emergency medical incidents, and incidents involving hazardous materials.
- Direct a company of firefighters to the scene, assess, and report on conditions at the scene, develop an action plan, assume command of all firefighting, rescue and public service operations of the company unless relieved by a senior officer.
- Manage and perform emergency scene operation involving life-saving and property protection work; conduct size-up, resource request and assignment, confinement, extinguishment, salvage, and overhaul.
- Supervise, plan, evaluate, train, motivate, direct, and participate in the work assignments and activities of firefighters.
- Address personnel matters and apply progressive discipline as appropriate.

EXAMPLES OF DUTIES (continued)

- Conduct orientation, training, and practice drills in all phases of fire suppression and related activities to develop and maintain the capabilities, required standards, and readiness of firefighters; conduct training related to fire prevention, public education, accident prevention and department safety practices.
- Responsible for proper maintenance and care of all equipment, apparatus, fire station and grounds; direct and participate in periodic inspection of same to ensure that all assigned equipment, apparatus, facilities, and supplies are in a state of readiness; ensure completion of proper maintenance, documentation and repairs.
- Conduct fire prevention inspections of commercial properties pursuant to state and local regulations and ordinances; follow up on routine and recommended repairs and corrections; refer non-routine inspections or inspection results to Fire Prevention Division personnel.
- Perform administrative duties such as maintaining records, writing reports on the work activities such as fire and emergency reports, daily log book, equipment maintenance logs, and issue performance evaluations of probationary firefighters.
- Update and maintain current maps and charts; must be familiar with Department jurisdiction streets, intersections, fire hydrants, water mains, and sprinkler systems; take note of specialized and unusual conditions as required.
- Maintain a level of physical fitness to meet job requirements and perform the major job functions.
- Maintain current knowledge of new firefighting and fire prevention principles, techniques, and methods. Attend, as directed, training sessions and conferences concerning, but not limited to, fire suppression, personnel management, medical and hazardous materials.
- Establish and maintain effective public relations and communications with customers and the communities served.
- Perform related duties as assigned.

TYPICAL PHYSICAL AND MENTAL REQUIREMENTS
