INCIDENT SUMMARY	
Incident Summary:	<p>At approximately 2:11p.m., Santa Clara County Fire Department and San Jose Fire Department were dispatched to reports of a vegetation fire in Belgatos Park in the Town of Los Gatos.</p> <p>On arrival, firefighters reported approximately ¼ acre burning in grass with a slow to moderate rate of spread. Crews were able to control the fire within 20 minutes and it was completely contained at approximately 3:00 p.m.</p> <p>Firefighters were aided by the relatively calm weather and recent trimming of the grasses at the park. The cause of the fire is under investigation but is not considered suspicious.</p> <p>Santa Clara County Fire Department reminds residents that now is the time to prepare your home and family for wildfire. When working with powered equipment, ensure a spark arrester is properly installed, take advantage of the milder morning conditions and do not use equipment that could cause a spark (mowers, tractors, etc.) after 10:00 a.m. or during critical fire weather.
