INCIDENT SUMMARY

Incident Summary:

At approximately 3:30 a.m., Santa Clara County Fire Department was dispatched to reports of a fire in a residence on Austin Avenue in Los Altos. Upon arrival, firefighters found smoke coming from the second floor of the home. The resident was outside and reported that all occupants had evacuated the structure.

Crews were able to access the fire and bring it under control within 20 minutes. The fire was isolated to the second story bedroom and crews remain on scene for cleanup.

Two residents were displaced, but did not require assistance. The cause of the fire is under investigation.

During this incident, significant accumulation of household items made access to the second floor bedroom challenging for fire crews. Santa Clara County Fire Department reminds residents to keep routes of egress in the home clear and know two ways out of every room.
