Fire Explorer Post #553 Information Overview

By Captain Chris Stuehler

**10:00AM to 1:00PM**

Explore what it is like to be an Explorer with the following hands-on stations:

- Extend a hose line into a smoke filled structure
- Feel the weight of the "Jaws of Life" and other life saving equipment
- Experience a sample of our fitness testing
- Perform a wildland progressive hose lay
- And so much more...
