NEWSLETTER

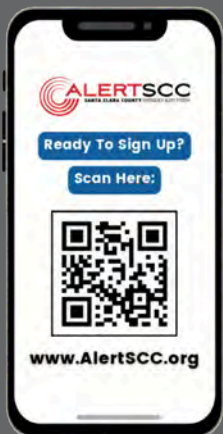

MAY 2026

FIFA WORLD CUP PREPARATIONS

As Santa Clara County prepares for FIFA, the Office of Emergency Management, County Fire, and many other agencies are working closely to ensure a safe environment for all. We encourage community members to stay informed and utilize these essential county resources:

- AlertSCC: Receive emergency notifications for fires, earthquakes, and other disasters. Available in multiple languages: AlertSCC.org
- Human Trafficking Hotline: Help protect the community by looking out for and reporting suspicious activity: humantraffickinghotline.org or 1-888-373-7888
- Text to 911: If you are unable to call, you can now text 911 in most areas of the county.

PROMOTION CEREMONY

April 14, 2026

Our Spring Promotion ceremony acknowledged staff that have been recently promoted. Promotion is more than just a change in rank; it represents a commitment to taking on greater responsibility and a continued promise to protect and serve our community with excellence. We congratulate each and thank them for their dedicated leadership.

WILDFIRE PREPAREDNESS WORKSHOP

April 23, 2026

We hosted our first wildfire preparedness workshop of the season in April and would like to thank the Los Gatos community for joining us and the Redwood Estates Service Association for hosting. Discussion focused on creating defensible space, being prepared, staying informed, and identifying evacuation routes and safety zones. Please join one of our upcoming sessions to learn more and connect with community organizations that can offer additional preparedness resources.

APRIL EVENTS

SATURDAY, APRIL 4

Firefighters responded to a residential structure fire on Alves Drive in the City of Cupertino. First arriving resources located a two story home with active fire. Firefighters searched the residence to confirm no occupants were inside. A second alarm was called to bring more resources to fight the fire and prevent spread. Firefighters were able to contain the fire to the building of origin and one adjacent storage shed. Santa Clara County Sheriff Deputies and PG&E were also on scene to assist. There were no reported injuries to any community members or emergency personnel.

SATURDAY, APRIL 18

On this date, Battalion 68, Engine 67, 68, 69 and Chief 72 responded to assist Gilroy Fire Department with a second alarm structure fire in a garden style apartment complex. The two agencies worked collaboratively utilizing automatic aid agreements to keep the community safe. Battalion 68 deployed their drone to get an aerial view of the fire and to check for hotspots during the overhaul phase of the fire. Leveraging technology in this manner helps keep firefighters safe and limits property damage.

WEDNESDAY, APRIL 22

At approximately 5:35 am, firefighters were dispatched to a report of a fire on the 20000 block of Saratoga-Los Gatos Rd. Saratoga Fire Engine 73 arrived on scene to find a large two-story home with smoke coming from the chimney. Two residents were standing on the second story balcony yelling for help and were safely evacuated with the family pet. A second alarm was dispatched along with PG&E, American Red Cross, Santa Clara County Sheriff's Office, and the City of Saratoga Building Department.

COUNTY COMMUNICATIONS DISPATCHER APPRECIATION

In recognition of National Public Safety Telecommunicators Week, SCCFD honored members serving at the Santa Clara County 9-1-1 Communications Center during an appreciation BBQ hosted on April 15 in partnership with Santa Clara County Firefighters Local 1165. Dispatchers serve as the vital first connection in every emergency. Over the past year, they supported more than 21,500 incidents, with about 66.3% EMS-related, 1.2% fire-related and 32.5% involving rescues, alarms, and other service calls. Working 24/7, dispatchers rapidly coordinate resources and provide critical pre-arrival instructions to first responders. Their professionalism and calm under pressure ensure help reaches those in need without delay. We thank our dispatchers for their dedication and service to our community. *(statistics from Digital Fire House)*

SAFELY

Headed back to the pool this summer?

Always Pool Safely!

Safety Tips to Prevent Drownings:

Always watch kids in and around the water- and designate a water watcher.

Teach children to swim-- or sign them up for swim classes.

Properly fence all pools at least 4-feet in height around the perimeter of the pool/spa.

Use a self-closing and self-latching gate.

Stay away from drains and other pool openings.

Know life-saving skills, including CPR for adults and kids.

Take Time For Safety!

💧 Drowning is the leading cause of unintentional injury death for children ages 1-4 and the second for children ages 5-14 (CDC)

💧 Drowning is silent, and can happen as fast as 30 seconds (NDPA)

💧 For every fatal drowning, many more children receive emergency care for non-fatal, yet serious, submersions that can cause long-term disability. (American Red Cross)

Safety starts with education for the whole family.
