PREAMBLE

This Memorandum of Agreement, hereinafter referred to as the "Agreement," is by and between the Santa Clara County Central Fire Protection District also known as the Santa Clara County Fire Department, hereinafter referred to as the "Department," and the Battalion Chiefs Bargaining Unit, International Association of Firefighters, Local 1165, hereinafter referred to as the "Union."

The Agreement represents the results of the parties having met and conferred in good faith pursuant to Section 3505 of the Meyers-Milias-Brown Act.

SECTION 1 – RECOGNITION/UNION SECURITY

A. Recognition

The Department recognizes the Union as the authorized bargaining representative of the unit consisting of the following classifications:

Assistant Fire Marshal
Battalion Chief
Battalion Chief – Pre-Fire Management & Wildfire Resilience
Chief Fire Mechanic
Community Risk Program Director
Facilities Maintenance Manager
Hazardous Materials Assistant Fire Marshal

If any new position is created within the Department, representation status shall be determined in accordance with the Department's Personnel Rules and Regulations.

The parties agree that retirement classification for new or existing classifications are solely determined by the California Public Employees Retirement System (CalPERS). Any dispute relative to the designation of retirement classification must be made directly to CalPERS.

B. Union Security

1. Employees covered by this Agreement who have authorized Union dues deductions as of November 14, 2021 shall continue to have such deductions made by the Department during the term of this Agreement unless there is a work action (slowdown or stoppage) by the employees.
2. As allowed by law, the Department shall deduct from employee's paychecks and transmit to the Union dues and amounts for any other service or program provided or sponsored by the Union.
3. Any employee who wants to terminate their authorization for Union dues or service fee deduction must contact the Union to do so.
4. The Union will notify the Department of any changes in membership status with regards to dues deduction for its members. The Department shall make any changes following receipt of and in reliance upon the notification by the Union.
5. Union agrees to indemnify, defend and hold Department harmless from any and all claims, demands, suits, or any other action arising from the provisions of this section or from complying with any demand for termination or revocation hereunder, except for any claims arising because of negligence of the Department.
6. The Department will comply with all applicable laws regarding employee orientations and employee data.

C. Union Release Time

The Santa Clara County Fire Department will provide paid union release time to Local 1165 Executive Board Members assigned to a 40-hour work schedule as follows:

1. A maximum of 80 hours per calendar year of union release time for the Union President, if assigned to a 40-hour work schedule.
2. A maximum of 60 hours per calendar year of union release time for 1 Battalion Chief Unit E-Board member, if assigned to a 40-hour work schedule.

Requests for union release time will be subject to supervisor approval similar to vacation/personal leave requests.

Two weeks advance notice is requested for any use of union release time unless there are extenuating circumstances preventing advance notice. This provision for two weeks' advance notice does not apply to union release time for employee representation.

Union release time is to be used for employee representation, union meetings, union education, and union training. Union release time cannot be used for political activities, fund raising, or social events. Union release time is separate from any education and training benefits provided to employees through the MOA and Department policy. The Department shall not pay for any costs, aside from the paid release time provided by this agreement, for employee representation, union meetings, union education, and union training.

Attendance at Labor/Management Committee meetings and meet and confer sessions (including labor contract negotiations) shall not count against these union release time hours.

SECTION 2 - WAGES

A. Salary Adjustments

1. All covered classifications shall be granted wage increases as follows:

First full pay period following ratification By the Union and adoption by the Board of Directors or November 10, 2025 (Pay Period 25/24), whichever is later	6%
November 23, 2026 (Pay Period 26/25)	6%
November 22, 2027 (Pay Period 27/25)	4%
November 20, 2028 (Pay Period 28/25)	4%

2. The Battalion Chief classification shall receive the following realignments:

First full pay period following ratification By the Union and adoption by the Board of Directors or November 10, 2025 (Pay Period 25/24), whichever is later	1.5%
November 23, 2026 (Pay Period 26/25)	1.5%
November 22, 2027 (Pay Period 27/25)	1.5%
November 20, 2028 (Pay Period 28/25)	1.338%

These realignments and the wage increases in Section 2.A.1, above, shall not compound upon each other in the year received. For illustrative purposes only, if a 2% wage increase and a 2% realignment were both scheduled to occur on December 1, 2025, the total salary adjustment would be 4% total on December 1, 2025, not 4.04% (i.e., not 2% compounded on 2%).

In the 2025 – 2029 MOA, the Battalion Chief classification received realignments of 1.5%/1.5%/1.5%/1.338% (uncompounded total of 5.838%; compounded total of 5.967%) instead of receiving Holiday-in-Lieu pay. 5.838% is/was the 2025 value of Holiday-In-Lieu based on the observed holidays in 2025. The Union agrees that it will not propose Holiday-In-Lieu pay for the Battalion Chief classification in any meet and confer process unless the Union simultaneously proposes that the Battalion Chiefs relinquish the compounded total of the 2025-2029 realignments (i.e., 5.967%).

B. South County Annexation Stipend

Extra help employees are not eligible to receive this South County Annexation Stipend payment. This South County Annexation Stipend payment will be paid in the same pay period as the first pay increase in the parties' Memorandum of Agreement (i.e., in the first full pay period following ratification by the Union and adoption by the Board of Directors).

The one-time, \$500 lump sum South County Annexation Stipend payment will be less all applicable withholdings. The parties agree that this amount is not reportable as compensation earnable/pensionable compensation to CalPERS and is not included in the FLSA regular rate of pay for any period.

C. Overpayment Errors

When a net of five hundred dollars (\$500) or more overpayment(s) error occurs, the employee will repay the overpayment in the same amount and within the same number of pay periods in which the error occurred. Overpayment of less than five hundred dollars (\$500) will be repaid from the next paycheck.

In cases that necessitate payback of overpayments totaling more than one thousand dollars (\$1,000), the employee may request a payment plan within two weeks of discovery which includes signing a promissory note or lien.

The Department will notify the Union and the employee ten (10) working days prior to implementing any repayment action.

permanent disability pension, and are actually receiving disability pension payments, or advanced disability pension payments. The Department shall pay this contractual benefit, which shall be subject to all applicable withholdings.

Any employee eligible for the benefits contained in Labor Code 4850, et. Seq. or for any benefit payable as a result of disability, insured or otherwise, under a plan sponsored or offered by the Department or a payroll practice of the Department, shall not be eligible for this contractual benefit (i.e. this contractual benefit and Labor Code 4850 or any other Department plan or payroll practice are mutually exclusive, and an employee shall not receive paid leave pursuant to this contractual benefit and pursuant to Labor Code 4850 or any other Department plan or payroll practice). In no event shall the employees listed above be eligible to benefits exceeding those available to firefighters under Labor Code 4850.

Benefits payable or paid for a disability to an employee from the Department pursuant to this sections shall be reduced to offset against any other payment made or available to such employee and as a result of the same disability from a plan sponsored or offered by the District, insured or otherwise (including any retroactive disability retirement plan benefit whose effective date is on or after the date of disability for which a benefits is payable to the employee under this section), or a payroll practice of the Department. Such benefit payment shall be considered an overpayment for which the Department has the right to seek recoupment in any manner the Department deems appropriate, including but not limited to offsetting against any other benefit from the Department or from any compensation payable to the employee by the Department.

Any employee in the job classification of Hazardous Materials Assistant Fire Marshal who is employed on a regular, full-time basis shall be entitled to the same presumption under Labor Code 3212, et seq. that are available to firefighters to whom Labor Code 3212, et seq. applies. In no event shall the employees listed above be eligible for benefits exceeding those available to firefighters under Labor Code 3212.

If a qualifying injury results in a medical determination that precludes an employee in the above-identified classification from returning to work due to permanent work restrictions, the employee shall file an application for either a PERS Industrial Disability Retirement or Disability Retirement, as applicable, within 15 days. The employee shall cooperate fully and work with the Department to select an effective retirement date.

SECTION 9 - EDUCATION & CAREER DEVELOPMENT

The Department will reimburse employees for education and career development expenses and shall establish a yearly educational and career development reimbursement fund of twenty-five thousand dollars (\$25,000).

Education and career development reimbursement shall not exceed two thousand eight hundred dollars (\$2,800) per employee per fiscal year for classes successfully completed at an accredited college or university, or meeting career goals through seminars, workshops and lectures, etc. No more than seven hundred fifty (\$750) dollars can go towards travel and/or lodging per year, except for special circumstances, as determined with pre-approval by the Assistant Chief of Training.

Employees working toward a bachelor's degree through an accredited college or university may be reimbursed for an additional \$1,400 (\$2,800 + \$1,400) per fiscal year. Employees must show proof that registered courses are applicable to their chosen degree program.

Employees working toward a master's degree through an accredited college or university may be reimbursed for an additional \$2,400 (\$2,800 + \$2,400) per fiscal year. Employees must show proof that registered courses are applicable to their chosen degree program.

Said funds shall be available to all employees represented by the Union. The intent of this funding is to assist employees in meeting their career goals through formal education or meeting career goals, through seminars, workshops and lectures, etc.

SECTION 10 - SEPARABILITY

In the event that any provision of this Agreement is declared by a court of competent jurisdiction to be illegal or unenforceable, that provision of the Agreement shall be null and void. However, such nullification shall not affect any other provision of this Agreement, all of which shall remain in full force and effect.

If the State of California notifies the Santa Clara County Central Fire Protection District (also known as the Santa Clara County Fire Department) or the County of Santa Clara that legislation has been implemented which assesses monetary penalties to local governments which settle wages and/or benefits with increases in excess of certain limits (an example of such legislation is AB 1040 which was introduced in Spring 1991), those benefits and/or wages shall not be implemented or continue to be paid. The parties shall immediately enter into negotiations for the sole purpose of arriving at a mutually agreed upon alternative. The County and the Department reserve the right to cease payment or seek repayment of wages and/or benefits upon which the State of California is basing monetary penalty.

It is understood that the purpose of this Section is to ensure that the County and the Department do not incur any liability or penalties on either the original Agreement provisions, or the negotiated alternate provisions.

SECTION 11 – PROBATIONARY PERIOD

All newly appointed Battalion Chiefs, Battalion Chiefs – Pre-Fire Management & Wildfire Resilience, Assistant Fire Marshals, Community Risk Program Directors, Facilities Maintenance Managers, Hazardous Materials Assistant Fire Marshals, and Chief Fire Mechanics will serve a 12-month probationary period pursuant to Section 109 of Department Personnel Rules & Regulations. The 12 months shall be counted as 26 complete pay periods.

SECTION 12 – GRIEVANCE PROCEDURE

B. Procedure

The Department and the Union recognize that early settlement of grievances is essential to sound employer/employee relations and to the uninterrupted continuation of service to the community. Therefore, it is agreed that during the term of this Agreement, grievances shall be resolved in the manner set forth herein.

Time limits may be extended or waived only by written agreement of the parties.

The Department shall not be required to reconsider a grievance previously settled with an employee or closed by the parties.

The attempt at informal resolution must be completed within fifteen (15) calendar days of the occurrence or discovery of the alleged grievance.

Step 2 If informal resolution is not possible under Step 1, within fifteen (15) calendar days of the conclusion of Step I, the aggrieved shall state the grievance in writing prior to scheduling a meeting with the first level manager of the battalion or the division to which the aggrieved is assigned. The written grievance shall be sent to the division manager with a copy to the Director of Personnel Services. The written grievance shall include the following:

- (1) the specific nature of the grievance;
- (2) the time or place of its occurrence;
- (3) the Department Rule, Department Written Policy, Department Regulation, Memorandum of Agreement, or provision of the

- Meyers-Milias-Brown Act alleged to have been violated, improperly interpreted, applied or misapplied, if any;

The Fire Chief or designee shall convey the decision by certified mail to the aggrieved in writing within fifteen (15) calendar days of receipt of the grievance. A copy will be sent to the Union with a copy to the Director of Personnel Services. The date of receipt of the decision by the Union via certified mail shall dictate time limits. The Fire Chief's or designee's decision shall be final.

SECTION 13 – TRAINING AND OPERATIONS ASSIGNMENTS

Battalion Chiefs may rotate into office-based 40-hour positions in Training and Operations for a minimum period of two years, which may be extended or shortened at the discretion of the Fire Chief or their designee.

When a 40-hour Training Battalion Chief or the 40-hour Operations Battalion Chief position becomes vacant or unfilled due to a current employee completing their two-year commitment in the position, at the discretion of the Fire Chief or their designee, an internal recruitment will be conducted. Initially, only current Battalion Chiefs who have passed probation will be eligible to apply for and be selected for these Battalion Chief positions at the discretion of the Fire Chief or their designee.

If there are no applicants for these positions by the established closing date of the initial recruitment, the recruitment posting period will be extended. During this extended posting period, current Battalion Chiefs who have not yet passed probation will be eligible to apply for and be selected for these Battalion Chief positions at the discretion of the Fire Chief or their designee.

If there are no applicants for these positions by the established closing date of the recruitment posting period, the recruitment posting period will be extended. During this specific extended posting period, any current Fire Captain on the current Battalion Chief eligibility list will be eligible to apply for and be selected to Work Out of Classification in these Battalion Chief positions at the discretion of the Fire Chief or their designee. **Note: This option, as stated in this paragraph, is only available if the need to fill a 40-hour Battalion Chief position is due to an actual positional vacancy within the Battalion Chief rank AND there is a current Battalion Chief eligibility list.**

If, at the closure of the final extended recruitment posting period there are still no applicants, the least senior Battalion Chief who has completed their probationary period may be selected for the position at the discretion of the Fire Chief or their designee.

SECTION 14 – TOBACCO USE

All fire suppression personnel shall be tobacco-free upon appointment and throughout their length of service to the department.

All fire department personnel shall not use tobacco products (cigarettes, e-cigarettes, cigars, and/or chewing tobacco) on the work-site, within or on fire department apparatus, or on any district facility.

A fire department sanctioned tobacco cessation program shall be made available to incumbent tobacco users.

It is understood that smoking and/or the use of any and all tobacco products is a known hazard to the health of employees.

SECTION 15 - FULL AGREEMENT

It is understood this Agreement represents a complete and final understanding on all negotiable issues between the Department and the Union. This Agreement supersedes all previous memoranda of understanding or memoranda of agreement between the Department and the Union except as specifically referred to in this Agreement. All ordinances or rules covering any practice, subject or matter not specifically referred to in this Agreement shall not be superseded, modified or repealed by implication or otherwise by the provisions hereof. The parties, for the term of this Agreement, voluntarily and unqualifiedly agree to waive the obligation to negotiate with respect to any practice, subject or matter not specifically referred to or covered in this Agreement even though such practice, subject or matter may not have been within the knowledge of the parties at the time this Agreement was negotiated and signed. In the event any new practice, subject or matter arises during the term of this Agreement and an action is proposed by the Department, the Union shall be afforded all possible notice and shall have the right to meet upon request. The union waives its right to utilize impasse procedures. In the absence of agreement on such a proposed action, the Department reserves the right to take necessary action by Management's direction.

SECTION 16 - TERM OF AGREEMENT

This Agreement shall become effective November 18, 2025, provided it is approved by the Board of Supervisors acting as the Board of Directors for the Santa Clara County Central Fire Protection District and has been ratified by the Union.
