Cooperating Agencies: Santa Clara County Sheriff's Office, PG&E			

INCIDENT SUMMARY

Incident Summary:	<p>At approximately 4:01 p.m., Santa Clara County Fire Department was dispatched to multiple reports of a structure fire in the area of the 22100 block of Rolling Hills Road in Cupertino.</p> <p>On arrival, firefighters found a residence with a second-story living space above the attached garage. Heavy smoke and fire were coming from the second-story above the garage and firefighters worked quickly to protect the adjacent wildland and prevent the spread of the fire into the main portion of the residence.</p> <p>The fire was brought under control within approximately 30 minutes. The garage sustained fire damage throughout the second-story and smoke and water damage to the ground floor. Two residents were displaced by the fire but were not injured and did not require assistance. The cause of the fire is under investigation.</p> <p>Santa Clara County Fire Department reminds residents that defensible space serves to protect homes from wildfire, but can also prevent residential fires from spreading into surrounding vegetation and threatening additional homes. For more information about preparing your home for wildfire, visit sccfd.org/rsg.</p>
Road Closures:	none
