INCIDENT SUMMARY

Incident Summary:	<p>At approximately 6:50 p.m., Santa Clara County Fire Department and San Jose Fire Department were dispatched to a report of an apartment fire in a complex on the 1000 block of Hamilton Avenue in Campbell.</p> <p>Upon arrival crews found a fully involved second floor apartment with fire spreading to three additional units. A second alarm was called, and the fire was brought under control in approximately 25 minutes. Crews remain on scene for full extinguishment and cleanup.</p> <p>No resident or firefighter injuries were reported. Four units sustained damage, displacing 9 residents who are receiving services from Red Cross.</p> <p>The cause of the fire is under investigation, however initial information provided indicates that the fire may have originated in the kitchen, while cooking. According to the National Fire Protection Association, cooking fires are the leading cause of home fires and home injuries. Santa Clara County Fire Department reminds its residents to never leave food cooking on a stove unattended. Keep a lid nearby to smother small grease fires and always have a fire extinguisher readily available near the kitchen area.</p>
Road Closures:	N/A
