Celebrate a Century of Service With Us

California Water Service invites customers, community partners, and honored guests to join us for a customer appreciation celebration as we mark

100 Years of Service to California Communities!

Since 1926, Cal Water has been committed not only to delivering safe, clean, reliable water and exceptional customer service, but also to being a dedicated community partner.

Join us as we honor our centennial and look forward to the next 100 years of innovation, stewardship, and service.

Trust on Tap Since 1926
