Our Mission

At **South County Sportsman Youth Shoot Extravaganza**, our mission is to teach the next generation about responsibility, safety, and respect for the outdoors. We combine fun and education to ensure youth are prepared to be safe and ethical sportsmen and women. **Donations directly support:** ■ Ammunition and clay targets for hands-on training ■ Safety equipment (eye and ear protection) ■ Educational materials for firearm & hunter safety ■ Conservation projects and outdoor stewardship lessons Every contribution helps us reach more youth and ensure they have the resources to learn and grow responsibly.
