This course, formerly known as the dammit run, takes you up St. Joseph's hill on the Los Gatos creek trail, up to the Lexington Reservoir and back down. Water is provided at the starting line and at the first aid station at the reservoir.

Back at the finish line we will have booths set up providing life-saving information related to addiction, Fentanyl, how to administer Narcan in case of an overdose and resources if someone you love needs help.

The Jolly10k is part of the non-profit, Jolly Solutions, Inc. Tax ID 93-2961856.

Together we can..... We can grieve together, heal together, laugh together, and we talk about the uncomfortable topic of Fentanyl together.

If you've lost someone to Fentanyl, you can upload their name, age and photo to jolly10krun@gmail.com and we will add them to our "loved ones" banner.
